

STAY AT HOME &

Work with WM | Quartis

Free offline licences - register now

Like many of you, we here at WENZEL, are feeling the effects from the COVID - 19 pandemic. In the face of this challenge we must stand together and help where we can. With an unprecedented number of you working from home, the Wenzel Family would like to offer free temporary offline seats to all our Quartis customers. This offline seat can be used to program at home hopefully to allow staffing levels continue unchanged. If you have special circumstances, we welcome you to call us so we may better understand our roll in your continued success. From all of us at the Wenzel Family, Stay Well. We will get through this together. Please see below for more details

THE PROCEDURE

Register under: www.surveymonkey.de/r/Quartis for your free WM | Quartis offline licence.

One of our service employees will contact you to help with the installation & setup

Program remotely, sending the programs to their colleagues who run the machine.

Continue supporting your production needs while working outside the facility
